Unrivalled style and security

No Compromise - Superior Security

Sliders' Ultimate patio doors represent the highest level of security available in in-line patio doors and were the first to gain accreditation from the UK Police's Secured by Design initiative.

All our patio doors are fitted with our unique Ultimate Collection handle which was developed exclusively for Sliders UK by leading hardware manufacturer, Fab&Fix. This handle features a number of enhanced security features, including a chamfered backplate and bespoke keyhole shape which is designed to protect the cylinder.

Every door also features a six-point lock with pincer action hooks, Yale anti-bump cylinder, interlock protectors and spring bolts that combine to make the Ultimate the most secure in-line patio door you can buy.

Quite simply, the 'Ultimate' patio door from Sliders UK is the most secure PVCu in-line sliding patio door set available in the UK.

Sliders UK 'Ultimate strength and beauty

The Ultimate patio door range will introduce a whole new lifestyle option to your home, opening up your room and allowing you to effortlessly merge your indoor and outdoor spaces. And it's the most secure patio door available - giving you total peace of mind.

Choosing the right patio door is vitally important. You want a design that will blend easily into your existing building whilst still making a strong visual statement. The 'Ultimate' patio door provides all this and more.

The unique low-profile design ensures your room will feel instantly brighter and uplifting, bringing the outside in, creating a whole new living experience.

But it's not just the visual appeal that sets the Ultimate range apart.

As a further mark of confidence, Sliders UK now offers an unmatched 10-year security guarantee on all 'Ultimate' doors.

There are absolutely no compromises with the 'Ultimate' patio door range from Sliders. Stylish, strong and energy efficient, it is the first door to be granted Secured By Design status - the Police's highest security accolade.

' patio doors

No Compromise - Superior Strength

Householders will no longer sacrifice strength and energy efficiency for the largest window in their home, the patio door. That's why each 'Ultimate' patio door is manufactured using the highest grade materials and to the finest of tolerances to provide a tight seal that keeps the winter's chill and summer's heat at bay. In short, patio doors you can live with for a long, long time.

Glazed for Security and Energy Efficiency

Sliders patio doors are glazed as standard with laminated glass for 'Ultimate' security. In addition your installer will be able to provide you with a number of optional energy efficient upgrades tailored to suit your house and its environment.

Accessibility

Sliders UK now offers an aluminium low threshold option on its sliding patio doors. Featuring a ramp on either side of the patio door, it's an innovation that enables easy access for wheelchair users.

- Slimline design to ensure ease of access
- Anti-slip ridges to increase grip in wet weather
- Available in a choice of two colours - silver or gold

Create your dream home

Standard colours available:

White, Mahogany, Light Oak, Rosewood.
Many more colours and finishes are available on request - please ask your installer for details.

Hardware colour options:

Chrome, Satin, Black, White, Gold.

Choices

Contemporary or modern? White or coloured? Whatever your personal taste, Sliders UK have a wide range of options to enhance any property, adding a real touch of luxury and visual appeal to your home.

With Sliders UK patio doors, you can feel totally assured that your installer has fitted the best available - not only in their superior quality of construction, but also in the unique added security they provide.

Only from Sliders UK - the 'Ultimate' patio door manufacturer.

Whatever the exterior and interior design of your home our patio doors will be designed and finished to perfectly complement and enhance your vision.
